CHAPTER 1

INTRODUCTION

Chapter 1 – Introduction

1.1 Objective of the Document

This document corresponds to **Deliverable 7.1 – Project website** and has been prepared as part of **Task 7.2 Establishment and management of the project website** within the framework of **Work package 7**. The purpose of this document is to present elements (structure and the contents) of the project website. The sections below provide specific information on the menus and their respective sub-menus of the platform.

The website will be subject to frequent updates. These updates will be introduced in line with the progress of the project activities.

1.2 General Information

Domain Name

The website is hosted on the domain - www.entrancesproject.eu. The domain name was chosen as a result of a poll conducted during the kick-off meeting. Figure 1 shows a list of options presented to the consortium.

Please choose an option for the website domain name.

- ☐ www.projectentrances.com
- ☐ www.projectentrances.eu
- ☐ www.entrancesproject.com
- ☐ www.entrancesproject.eu

Figure 1: Proposed list of domain names

Of the 27 answers received, almost 90% of the respondents preferred Option 4 i.e. www.entrancesproject.eu (Figure 2).

27 responses

2.2 EU Emblem and Disclaimer

In line with the standard specifications, it has been ensured that the Home page of the website contains the following essential aspects:

- Visibility of the **EU Emblem**
- **Disclaimer:** *ENTRANCES project has received funding from the European Union's Horizon 2020 research and innovation programme under Grant Agreement n° 883947. The website represents the view of the author only and is*

his/her sole responsibility: it cannot be considered to reflect the views of the European Commission and/or the Innovation and Networks Executive Agency (INEA). The European Commission and the Agency do not accept responsibility for the use that may be made of the information it contains.

Figure 8 shows how the above are presented on the website.
