Horizon 2020 project

ENTRANCES - ENergy TRANSitions from Coal and carbon: Effects on Societies

THE CHALLENGE OF THE SOCIAL IMPACT OF ENERGY TRANSITIONS

### Save the Date – ENTRANCES Final Conference

The EU-funded ENTRANCES project is gearing up to conclude its groundbreaking initiative, and we are thrilled to announce the upcoming ENTRANCES Final Conference, scheduled for the 5<sup>th</sup> and 6<sup>th</sup> of September 2023. This pivotal one-and-a-half-day conference will serve as a platform for presenting the core findings of the ENTRANCES project and fostering discussions on critical concerns pertaining to the energy transition within thirteen coal- and carbon-intensive regions across nine EU countries. The event will bring together policy makers, local experts, and stakeholders to deliberate on policy and practical recommendations, both at the EU and regional levels.
